Appendix A – Code of Conduct

OASL has endeavoured to provide a unique competitive program to its members that strives to provide the best possible conditions for player development.

The purpose of this program is to allow players to showcase their skills and put into practice the training they received from the professional staff at the member academies.

To that end, OASL enforces a strict Code of Conduct for sideline behaviour that ALL participants in this program are expected to follow

Coaching Staff Conduct:

- Be respectful of the referee and your opponents
- Refrain from using foul or abusive language
- Limit the amount of coaching done from the sidelines to only when necessary
- Keep your players and fans under control
- Remember that the score of the game is secondary to the opportunity for your players to demonstrate and improve their game
- Present a professional example to your players before, during and after competitions

Players Conduct:

- Be respectful of the referee and your opponents
- Refrain from using foul or abusive language
- Remember that you are here to provide a strong performance, and that the result of the match is secondary to its benefit as a development tool

Fans Conduct:

- Be respectful of the referee and the teams on the field
- Refrain from using foul or abusive language
- Keep comments positive
- Refrain from coaching from the sidelines
- Remember that you are here to support your child, not win a game where the final result is not the primary focus
- Keep in mind that your attendance at OASL events is a privilege, not a right, and that the Academy will be held responsible for the behaviour of its fans

Academy Conduct:

- Each member is required to respect the aims and objectives and comply with all Published Rules of the Association.
- Academies shall not knowingly solicit players signed full-time with other academies
- Academies shall make every effort to ensure that coaches and parents understand that players signed with other member academies are not to be approach in a manner that can be construed as an attempt to recruit.
